

## CHISINAU CITY HALL

02-115/906 din 27.09.2021

### Diplomatic Missions and Consular Offices in the Republic of Moldova

On behalf of Chisinau City Hall, I would like to express our high appreciation and gratitude for your openness and the long-lasting support provided to Chisinau in the benefit of its inhabitants.

Hereby, we inform you about the launch of tender procedures for the procurement of Services for updating the General Urban Plan of Chisinau, including elaboration of Zonal Urban Plans and Detailed Urban Plans, via dedicated national platform: <https://achizitii.md/ro/public/tender/21043957/>. The participation notice in Romanian and English languages was also published on the Chisinau City Hall official page: [www.chisinau.md/Licitații și achiziții curente](http://www.chisinau.md/Licitații_și_achiziții_curente).

Chisinau Municipality is in urgent need of a General Urban Plan (PUG), which would set the guidelines for the development of the city, draw clear rules in the field of urban planning and construction and make the city comfortable for citizens. Its latest version of 2007 is outdated and many of its provisions have not been complied with.

Thus, we kindly ask for your assistance in disseminating the notice information amid relevant actors and stakeholders, which would be interested in participating in the tender and supporting the Chisinau City in its sustainable development.

For more information and inquiries, the General Directorate for Architecture, Urbanism and Land Relations of the City Hall is available via email: [ap.dgaurf@mail.ru](mailto:ap.dgaurf@mail.ru), phone: 069128288. The tender procedure is open until October 12, 2021.

Respectfully,

**Ion CEBAN**  
General Mayor
